A JAR OF

Brownie Mix

from _____

Filled _____

Best by **no official date**

In the jar: flour, cocoa, sugar, brown sugar, chocolate chips, baking powder, salt.

To make

You add: 3 eggs, ⅔ cup melted butter, 1 tsp vanilla.

Heat oven to 350 °F. Grease an 8 × 8 in pan. Whisk eggs, cooled butter and vanilla. Stir in the whole jar until no flour shows. Bake 25–30 min, until the center is set. Cool, then cut 16 squares.

Bake before eating. Do not taste the raw mix or batter.

We found no official shelf life for this mix, so we give no date.
